Foreword . . .

The sudden surge of school spirit which wells up somewhere in you and catches up near your throat when you walk into a football stadium on a cold fall evening, the pride you feel when you sit in the auditorium on the night of one of our big dramatic productions, the comradeship you share when you rush into the library to cram for a test and find it filled with other Pioneers, and even the feeling you have as you walk down the hall of being a part of something big and wonderful, – these are a few of the moments which the TRAIL staff has tried to capture for you in the '58 TRAIL; for they are moments which you live TODAY and cherish TOMORROW.

Tomorrow

Dedication

Sharon - You now have 17 days until the big event! Lots of luck and happiness in your new life, Sharon, and don't forget the good times we had at the Pratt Youth Conven when we were both "single" sta sweet and you'll always have lots of friend

Love,
Sandra Haynes

West High is young, but the spirit which lives within her modern wall is ageless – the spirit of youth. It is eternally old and yet as vibrantly new as each class which enters on hesitant feet. It is a little older when a class which has spent three years under her shelter departs.

Yesterday that spirit and all the fine principles constituting West were being builded and molded carefully by the students for a better and finer future.

Today the world is changing. All eyes are cast toward the latest productions and inventions in the realm of geophysics, and we find ourselves to be citizens living on the brink of a new era. Satellites soar, speculation about space travel is on all lips, and we try to condition our minds to accept the new discoveries which are on our horizon.

As the world is being constantly subjected to progress and change, for creating the world which must be on hand to meet the needs of coming generations, so must we, the students of today, progress and grow. Through the traditions which we build, the customs which we follow, and the necessary rules by which we abide, we hold the foundation for tomorrow. This foundation is one which must not be allowed to vibrate under the added responsibilities of the new age.

To you, the students of TODAY, we dedicate the 1958 TRAIL with challenge; and to you, the citizens of TOMORROW, we look with hopes for a structure worthy of such a foundation.

Sharon - I want to wish you the very very happiest and prosperous marriage possible. I've really enjoyed knowing you these past years.

MR. GLENN K. HAMILTON has just served his first year as principal at West High. During this time we have all grown to admire and respect him for the wise and understanding way he handles trying problems which are constantly facing a principal. As he has helped to guide and weld the separate units of the school, he has had a part in making West a better school to prepare us for tomorrow.

THE MAN WITH THE HORN . . . One of the most versatile teachers in Pioneerland is Mr. Charles Warren. In addition to his work of turning out the most top-notch band West has ever had, conducting the orchestra, and providing plenty of pep at games with the Pep Band, he finds time to be a member of the Continentals, a popular Wichita dance band.

PRECISION NEEDED HERE . . . Mr. Reimer watches to see that Mike Danford is on the right road in mechanical drawing, while Jon Casperson waits for instructions.

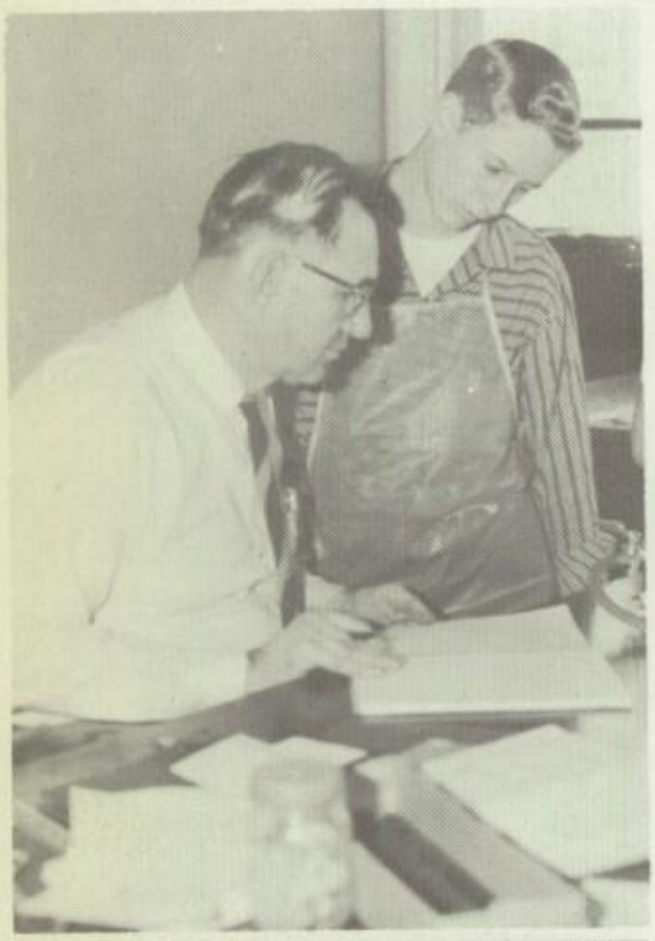
Service . . .

THE PUZZLED LOOK WON'T LAST . . . David Stuart thinks the maze of chemical formulas and equations confusing indeed; however, the cloud will be lifted when Mr. H. A. Johnson, instructor, explains the problem.

NO MAD HATTERS HERE . . . An enjoyable part of the Christmas season was the tea at which the girls in Office Practice entertained their bosses and teachers. Here Dee Ann Richardson and Nancy DeGrant serve Mrs. Joetta Melton.



Office Staff

EFFICIENCY IS THE WORD . . . Our office staff smile over the office counter in a single moment of relaxation while pausing in their daily work with schedules, absence slips and many various other duties which keep the office running smoothly. They are Marge Nevitt, Helen Mueller, Colleen Atherton, Janell Wilson, Berenice Davis, Registrar; and Doris Baker.

THEY GREET THEIR SUBJECTS . . . The contest is over and here reigns the football royalty. King Bill Williams and Queen Beverly Mitchell smile to the crowd.

WAITING FOR THE FINAL NIGHT . . . These candidates for King and Queen of the football dance, "Football Finale," stand hopeful before the final night. The King candidates are Bill Williams, Bill Gibbs, Mike Blue, Buddy Myers, and Monty Brown. The Queen candidates are Beverly Mitchell, Nancy Price, Judy Ring, Lynda Scott, and Anita Sue Jefferson.

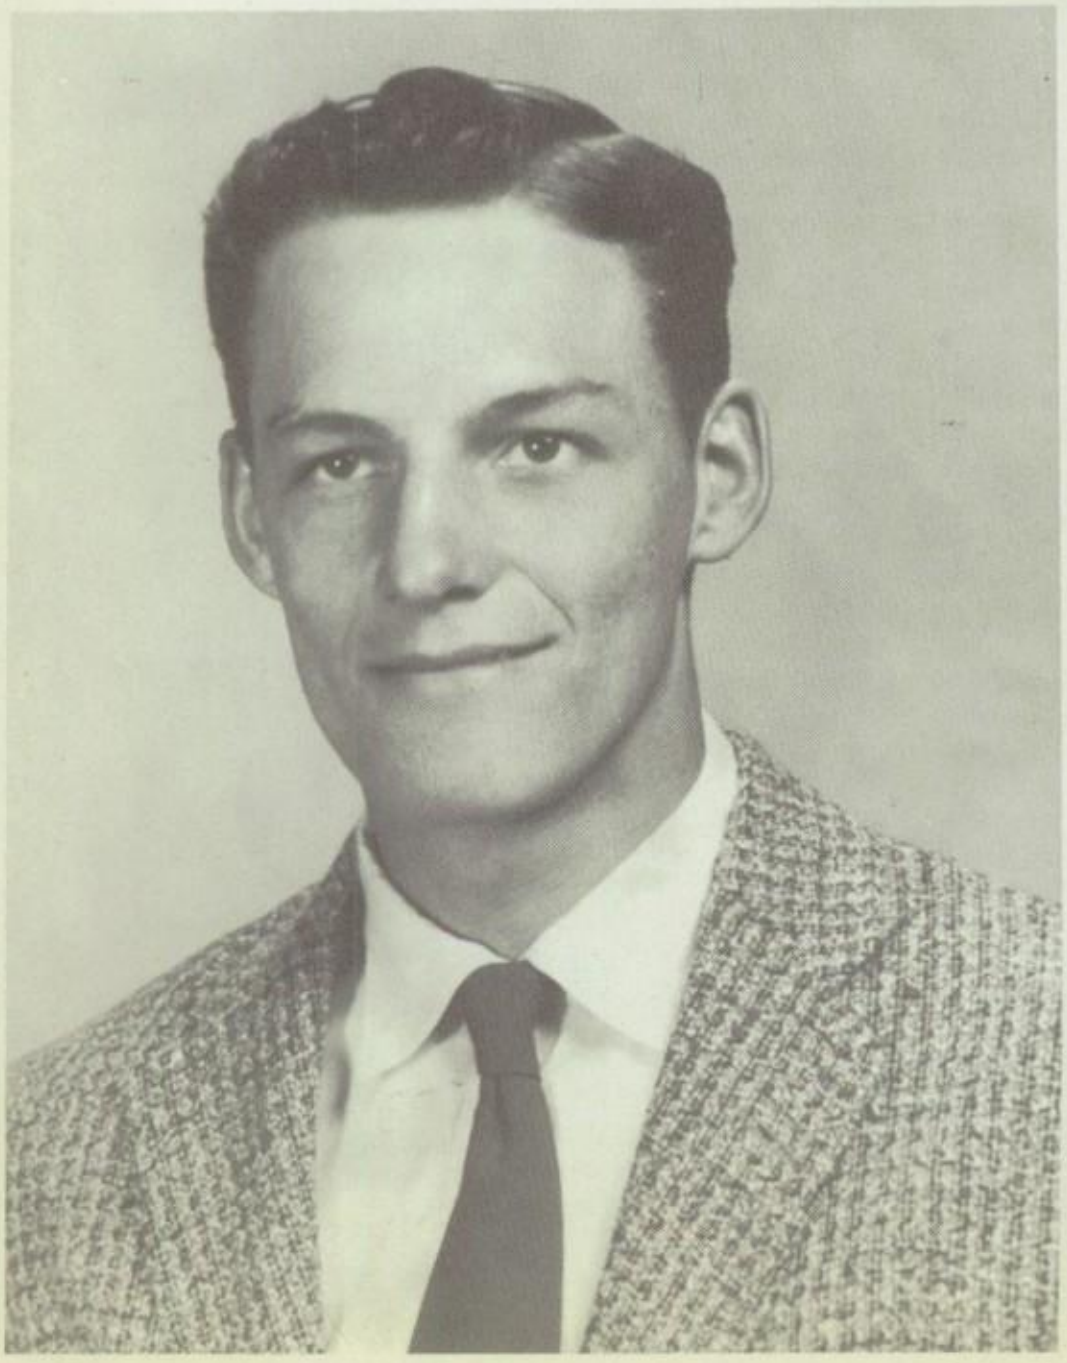
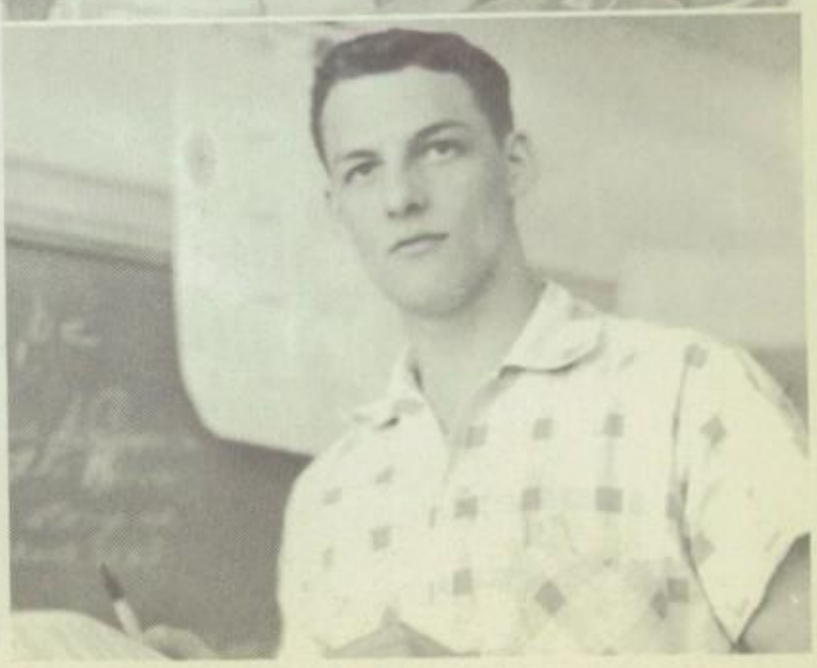
Trail King and Queen- 1958

Gary Martin and Jean Frazier, King and Queen of the 1958 TRAIL, were chosen on the basis of outstanding personality traits, fine leadership qualities, and contributions they have made to the school during their three years at West.

Jean has been a member of Student Council all three years, and this year she served as Student Council President. She has also been active in Bible Club, Pep Club, Future Teacher's Club, Intra-City Council, Choir, and Westerners. At the end of her junior year she was West's Girl's State Representative. Aside from her many activities, Queen Jean also finds time to keep an Honor Roll grade average.

King Gary Martin has been kept busy during his high school days, too. He went to Boy's State as a West Representative, and is a member of Student Council as Chairman of the Safety Committee. An active participant in sports, he has been on the baseball, football, and basketball teams. He has been a member of the WEST WORD and TRAIL staffs, and has kept a high scholastic average.





Drama . . .

As the time draws near for a production in dramatics, the entire school's interest is focused on the coming event. Mr. Rawley T. Farnsworth directs all plays.

HIS CONDITION COULD BE SERIOUS . . . The Fall Play is the first all-school play of the year. This year, the immortal "Harvey" put in an appearance (?) on our stage. Here Joe LaSarge as Doctor Sanderson and Jim Wait as Wilson ponder over the condition of Elwood P. Dowd, played by Kent Shawver.

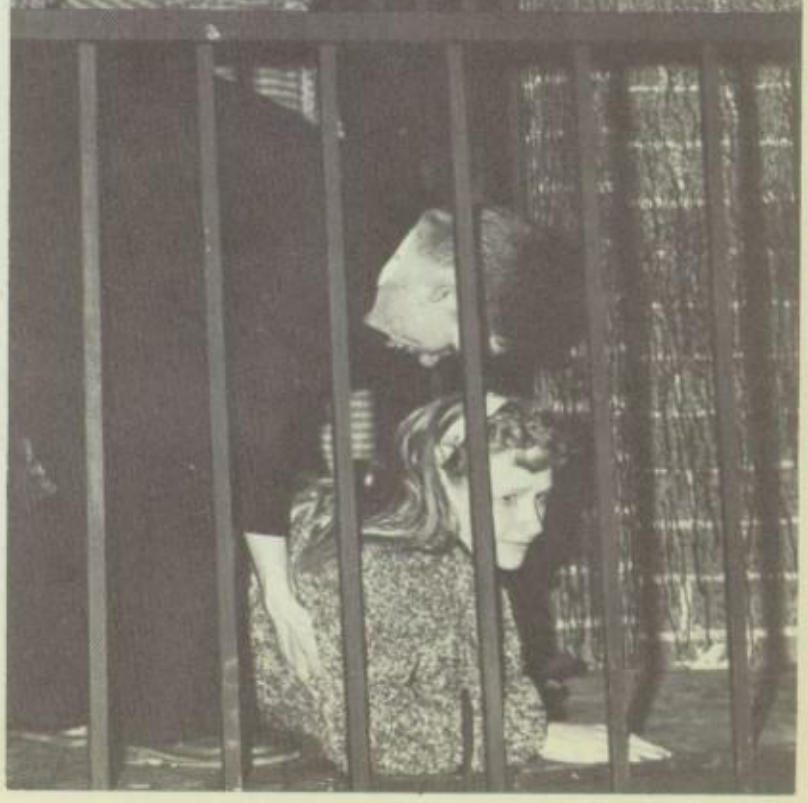
"NO, NO, A THOUSAND TIMES, NO!" . . . Granny Kathleen Kirkbright watches with tearful anticipation as her poor daughter, played by Aurella Hurysz, pleads with the villain, Jim Ballard. This is a scene from the one-act play, "The Widow's Plight." P.S. It was a melodrama!

"HARVEY, LET ME STRAIGHTEN YOUR TIE!" . . . Penny Fankhouser and Carol Peebles as Veta Louise Simmons and Myrtle Mae Simmons wonder; "Is it him or is it me?" As Elwood straightens Harvey's crooked tie, Mrs. Chauvenet, played by Marilyn Snodgrass, stands by to view the whole thing as an utterly impossible situation.

"DESPAIR NOT, DEAR CHILD" . . . "The villain will soon be out of our lives forever!" Kathleen Kirkbright puts forth an effort to comfort the poor child of the widow, as acted by Kathy Hurst.

"YES, I REMEMBER YOU, LAURA . . . It was in high school, and I called you 'Blue Roses'." This is a scene from the Senior Play, "The Glass Menagerie." Jim O'Connor, portrayed by Gary Townson, recalls high school days with Laura Wingfield, played by Kathy Kirkbright.

"LET ME HELP YOU, LAURA." . . . Laura falls as she starts to run an errand. Her brother, Tom, Alan Latta, is quick to lend aid while their mother, Amanda Wingfield, played by Kathy (Melonie) Hurst, looks on.



West Word Staff

Head Coach Eddie Kriwiel has never experienced a losing season in football.

Wichita High School West's Pioneers finished the season with an overall record of seven wins and two losses. The City League mark of 4-2 was good enough for second place.

West opened the season at Old Shocker Stadium in a sea of mud. In between intermittent downpours, the Pioneers found time to hand Ark City's Bulldogs (later Ark Valley champions) their only defeat of the season, 14-6.

The following week saw the inaugural of City League play. Wichita East's Blue Aces dealt the Pioneers a 14-0 setback. This was the first time in the history of the school that the football team had failed to score.

West next journeyed up the Turnpike for a game with El Dorado's Wildcats. Despite the flashy running of El Dorado's Charlie Lively, one of the fastest backs in the area, the Maroon and Gold won out.

The fourth game was against the Redskins of Wichita North. Although passing had been the Pioneers' chief weapon of attack, it was in this game that their ground attack began rolling as North fell 27-6.

Top Row: Don Jones, Sam Bush, Duwane Unrein, Tony Blake, Stan Steele, Jerry Ranney, Dale Corning, Gary Butterfield, Dennis Rutledge, Bruce Roberts, Mike Blue, Bill Munn, Gary Fisher, Paul Donham. *Middle Row:* Coach Charles Polk, Joe Gibson, Pat Hogan, Burl Kinney, Larry Tally, Lyndon Potter, Len Kiser, Don Hembree, Allen Jantz, Monty Brown,

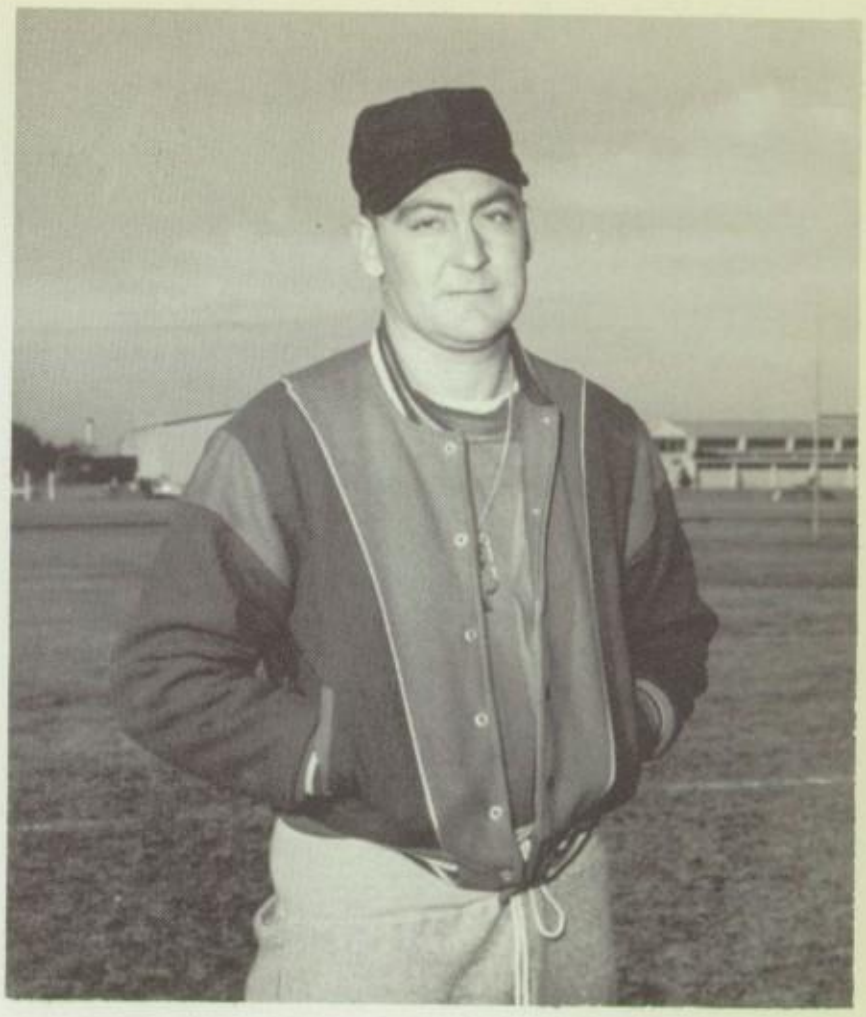
The new high school, Wichita Southeast, was the next victim. The Pioneers ran over the Golden Buffaloes 33-0. This victory, coupled with an East loss to North in the second game of the double-header gave West temporary possession of first place.

East's Blue Aces were next. West led at halftime, but could not hold the advantage, as the Aces again triumphed, this time 20-13, shoving the Maroon and Gold down to third in the League.

A non-league game with the Newton Railroaders followed. Although the game featured two of the area's top passers, it turned out to be a defensive battle which West won 12-0.

North High's Redskins fought West tooth and toe nail for three quarters, but yielded two touchdowns to the Pioneers in the fourth quarter. The score was 13-0.

In the final game of the season, Southeast's Golden Buffaloes lost 39-7. West ended the season one-half game out of first place and were ranked seventeenth in the state.



Charles Polk is line coach for the Maroon and Gold.

Pioneer halfback Monty Brown struggles vainly to keep moving forward as East's John Rader slows him to a halt.

Here are the City League statistics for West High. Included are the three non-league games.

In nine games, West backs carried the ball 366 times for a total of 1,537 yards. This was a 4.2 average per carry.

West quarterbacks threw 98 passes and completed 45 of them for 621 yards. This topped the City League and this general area of the state.

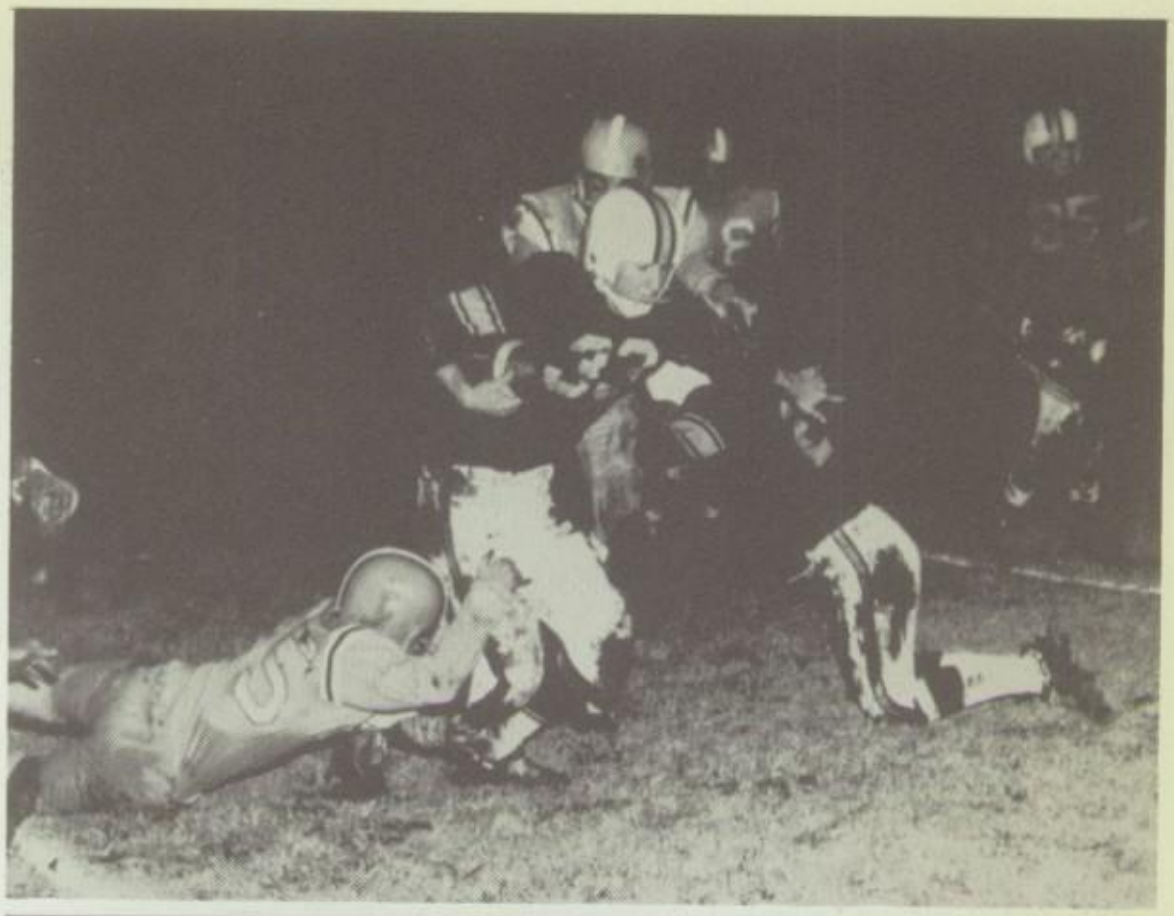
Total offense was 2,158 yards, an average of 240 per contest.

West was second defensively in the City, holding her opponents to 1019 yards on the ground and 291 in the air.

As far as individuals are concerned, Bill Williams scored the most points, 68; and completed the most passes (44 for 599 yards). Ken Coleman led in rushing. He carried the ball 51 times for a 6.4 mark per carry.

"I'm comin' through!" Such was probably the thought of West halfback Gary Chastain as he struggled to evade two well-muddied Golden Buff tacklers. In the background is number 12 for West, Bill Williams, and number 32, BurlKinney. Chastain's challengers are Southeast's Larry Brown (49) and Gary Edwards (21).

Gary Chastain (33) is slowed by one Southeast defender, as he struggles for extra yardage. The only other identifiable player in the picture is number 85 for West, Gary Haynes.



End Dick Carlburg bears down on El Dorado scatback Charlie Lively (with ball) with the intent of bringing him to a sudden stop. Coming up to help is number 32 for the Westerners, Burl Kinney.

Getting a lesson in tumbling is West's quarterback, Bill Williams. Playing the role of instructors are three North High defensive men. Too late to help is 98 of West, Gary Martin.

West High's Pioneers finished the season with a 7-12 won-lost record. Victories during the regular season came over Wellington, Derby twice, and Southeast twice.

Some of the sting of a poor season was eased by play in the final four games. The Pioneers upset Southeast in the final League game. The "magic" carried over into the regionals as the Maroon and Gold dumped Augusta. Then, in the biggest upset of the year, West achieved revenge for 3 regular-season defeats by downing Kapaun, 39-37 in two overtimes. A regional championship was not fated, though. El Dorado's talented Wildcats won the state tourney berth by five points.

Season's Record

Wichita High School West's swimming team, state champions two years in a row, opened the 1958 season with optimism. Three All-Americans – Pat Ryan, Eldon Ward, and Jim Wait, graced the ranks. In addition to those three, West had several other boys who are among the finest in the state. Defense of the state crown started out well, but East's Blue Aces pinned a defeat on the Pioneers. More victories followed and then another loss to East. West ended regular season competition with a 7-2 record.

Among the highlights of the season was the Topeka meet, in which West's 160-yard freestyle relay team missed tying the NATIONAL record by 3/10 of a second!

The state meet rolled around, and predictions made West and East the favorites. The predictions were right, but the Pioneers could not reverse the season's trend and so finished second in the State with 40 points.

GOLF . . . Bruce Roberts demonstrates the correct form for putting.

As usual, North and East Will probably be the teams to beat for the golf championship, but West should give both schools a lot of competition this year. There are three returning lettermen and several underclassmen who have looked good in practice.

Track Team

Like most of West High's spring sports, the track team will be building for the future. A few seniors from last year's squad, coupled with a large group of juniors and sophomores make this year's team a question mark.

If the past seasons are any indication, the Pioneers will be strongest in the running events.

Only time will tell as to how the Maroon and Gold will fare in City League and State competition.

Charles Snider is the only senior on the cross-country team. The other boys will be running for West again next year.

Pioneer Harriers Rank Fifth In State

Although the cross-country turnout was small, West High's team placed fifth in the state meet, held at Shawnee Country Club in Topeka.

A random sampling of the scores would indicate two things: first, West usually seemed to finish third or fourth in small meets, with East and North both doing better; second, the larger the meet, the better the finish.

Top runner was Charles Snider, who, incidentally, is the only senior on the squad. The others will be back to form the nucleus of a strong team.

In the girl's physical education department there are many opportunities for the girls' to take part in their favorite sports. A few of the favorites are modern dance, golf, swimming, and badminton. There are also after-school sports which include basketball, softball, and volleyball.

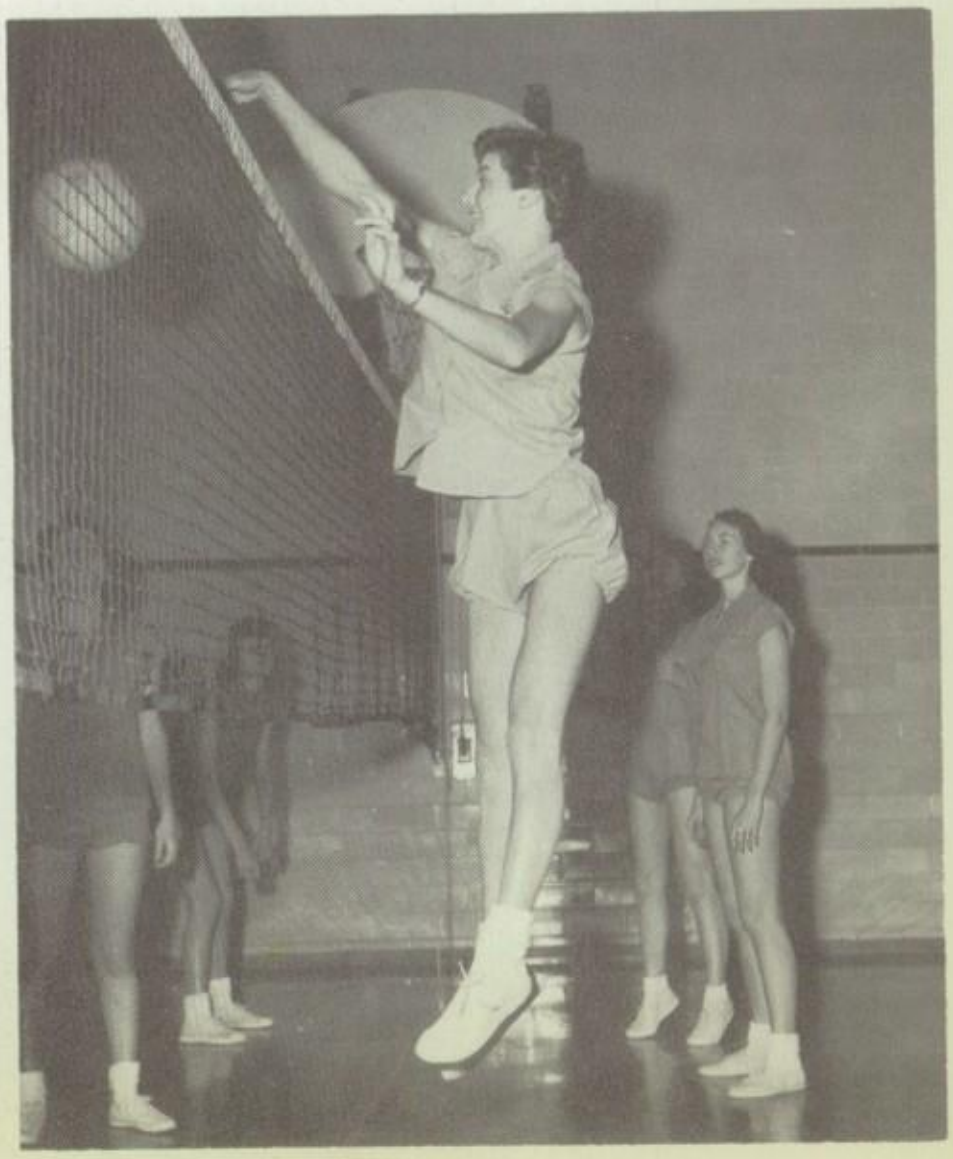
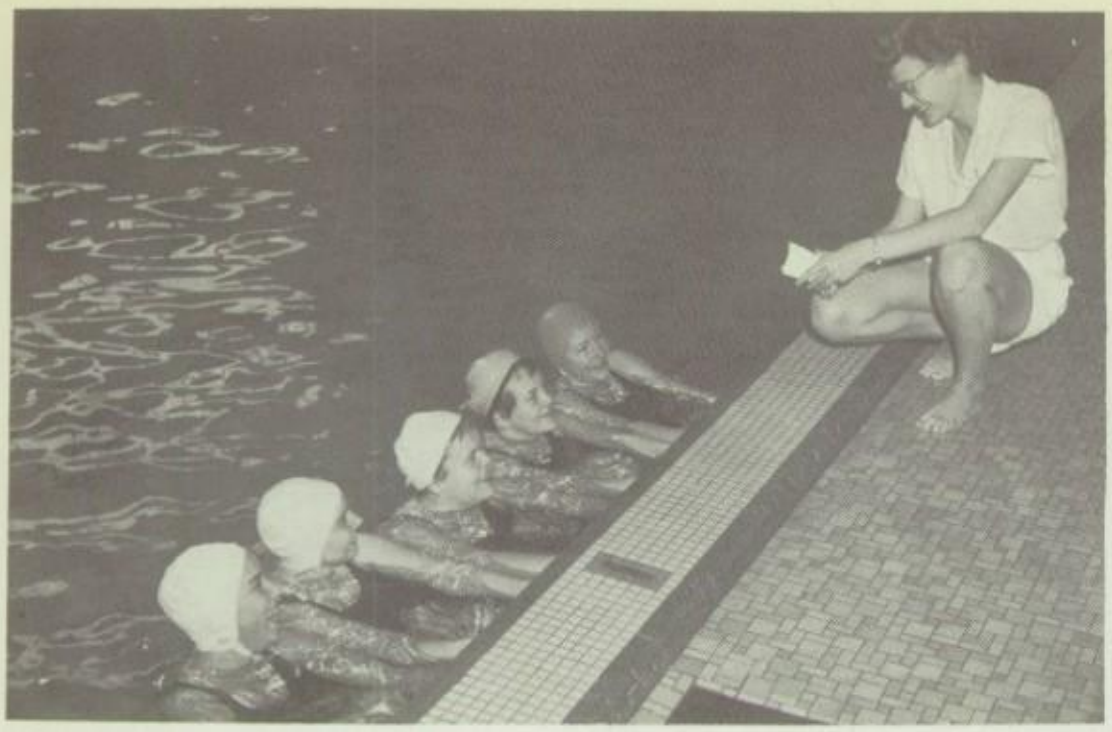
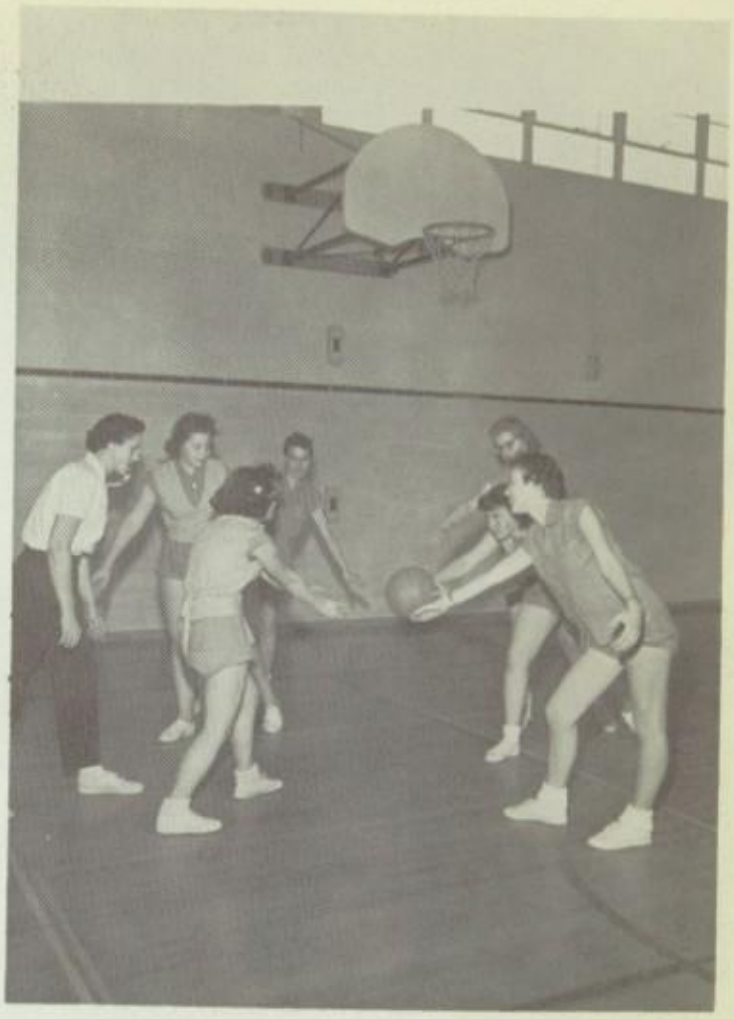
SMASH . . . Volley ball is a well-liked sport among he girls at West. Here Darlene Everhart spikes the b ll, an effective way to gain a point for her side. Darl ne is one of the most versatile players in girls' athletics.





Miss Barbara Phillips, the new swimming and modern dance teacher this year, gives a few hints on the back stroke to the following girls: Norma Toliver, Mary Hatcher, Judy Berg, Rosalie McCumber, Joan Christie.



Miss Marjorie Stone is getting ready to call a close play in an exciting basketball game which took place in girls' gym class.

Carol Oberg is busy practicing her tennis serve.

Golf is something new to the girls' Physical Education Department this year. A few of the girls who showed interest are the following: Grace Preston, Joyce Walker, Virginia Daugherty, Gerene LeFevere, Janice Graves, Charlene Stevens, Judy Chinn, Wanda West and Carol Perryman.

Volleyball is being enjoyed by these girls in gym class. Volleyball is very popular among the girls.

In this year of the reign of 'Sputnik' when a greater emphasis than ever before is put on the studying of mathematics and science, we find students whose interests and abilities are in these fields. Pictured here in College Algebra class are Dr. Lotchen Hunter, insturctor; Jim Wilson, Robert Blumenshine, and James Barker.

Using an induction coil to try to ignite an explosive without its being under pressure is James Barker, Paul Symes, who is watching, seems to know exactly which step will follow. This experiment is one of the many challenging projects in Science Club, sponsored by Mr. H. A. Johnson.

We Value Friends . . .

Early in the fall when Pioneer journalists traveled to Southeast High for the Journalism Conference, they carried an old West tradition with them. In the proverbial "Line-up" are Gary Martin, Bill Edwards, Gary Chastain and Curt Galloway. Helen Johnston pauses to view with wonder.

As Miss Evelyn Thompson teaches her Senior Literature class, these Seniors seem to be enrapt in some tale of the ancient days. The students pictured are Merle Chapel, Nancy Luce, Charles Bole, Mary Alice Keeter, and Garland Heyene.

"KEEP IT ON THE LEFT SIDE" . . . Mr. Wilbur Dorsey gives a few "pearls of wisdom" to two of this year's graduating students, Phyllis Smith and Gordon Brown. Gordon seems to be displaying more interest in Phyllis's gyrating tassel.

WE MADE IT! . . . Helen Johnston is overjoyed, as she proclaims the happy news to Alan Latta. Actually, this is just a practice for that certain night in May.
